

Tullett Prebon Information appoints Chris Dearie Head of Global Direct Feeds

Tullett Prebon Information is delighted to announce the appointment of Chris Dearie as Head of its Global Direct Feeds product solution.

Chris will drive Tullett Prebon's new strategic Direct Feeds product offering which satisfies the growing appetite in the financial community for directly-provided, high-quality, independent, OTC information. Tullett Prebon now has a wide-ranging, highly-customisable product solution which draws on the latest technologies in the market. The Direct Feeds offering is available under flexible commercial terms to enable customers to fully utilize the rich content assets that Tullett Prebon can deliver in the most efficient, reliable and cost-effective manner.

Chris is a market data expert having worked in the industry for 8 years and was most recently responsible for global strategy in the exchange arena at Reuters. Chris also sits on various industry discussion groups and has spoken on panels about policies and strategy in market data.
