

TULLETT PREBON INFORMATION TO PROVIDE FINANCIAL MARKET DATA FOR RISKMETRICS GROUP'S RISK MANAGEMENT APPLICATIONS

LONDON, 28 July 2008 – Tullett Prebon Information, a leading global provider of financial market data has signed an multi year agreement with RiskMetrics Group (NYSE: RMG), a leading provider of risk management and corporate governance services to the global financial community, to supply RiskMetrics with a range of premium global interest rate volatility and economic market information for use within RiskMetrics' applications. The data will include interest rate swaps, swaption smiles, cap/floor surface data and inflation derivatives.

Tullett Prebon Information works with financial institutions and service providers, including major global and domestic data vendors for the provision of independent OTC fixed income and derivative pricing. This distribution agreement with RiskMetrics is the result of Tullett Prebon Information's continued focus on providing high-quality independent data for use within risk management environments.

Frank Desmond, Head of Europe and Asia Pacific at Tullett Prebon Information, said: "We are delighted to be working with RiskMetrics on this initiative which enables us to increase the reach and value of our information services within risk management departments. We continue to see strong demand for sophisticated data models for use in risk management environments."

Headquartered in New York with 19 offices worldwide, RiskMetrics Group helps investors better understand and manage the risks inherent in their financial portfolios by bringing transparency, expertise and access to the financial markets. The company serves 3,500 clients, including asset managers, hedge funds, pension funds, banks, insurance companies, financial advisors, and corporations.
